WINDWALL™

WindWall™ soft shells are engineered in fully windproof and wind-resistant options. Our fully windproof options are our most protective; virtually waterproof and windproof, they maintain a comfortable level of breathability in colder weather conditions.

Wind-resistant options are the most versatile, enhanced with stretch and reduced external air permeability, both breathable and water-resistant, making them ideal for a wide range of activities and weather conditions.

Ladies

Apex Barrier Soft Shell Jackets

Windproof with plenty of stretch, this iconic heavyweight soft shell offers the ultimate in weather protection. The coveted Apex Barrier Soft Shell stops rain and wind to keep you warm and dry. A brushed fleece interior ensures all-day comfort.
